ABSTRACT	KEYWORDS
<p>Spirituality and courage the owner saying honored famous Literary scholar , scholar, critic and translator Ozod Sharafiddinov in the world seven to a miracle definition will give since seven a miracle a person mind , thinking, heart fireworks anthem, man of the day to his greatness placed forever in the garden to be is coming. However so though in the world again one a miracle there is his greatness and sanctity seven of a miracle total magnificence of beauty scarcity does not</p>	<p>Book, Uzbek and the world literature , Alisher Navoi , Ozod Sharafiddinov, Japanese schools , miracle .</p>

This is a miracle book. Book's miracle , miracle the first one anyway a miracle that many great people note did _

Book of a person unrepeatably place to find in getting perfect person as in formation life and imagination the world happy moments with mutual transfer lifetime years wise and instructive way draw get for the most priceless is a tool .

Close in days Our president by to the book and to reading was attention all our compatriots happy them coverage spiritual scientific ability educational opportunities scope expands .

Because he is Uzbek and the world of literature high possible perfect artistic universal ideology criteria based on created artistic works with get to know of the people mind in promotion not only literary studies social studies humanities science perhaps sophistication in the improvement of science important place holding _

To the book love put a person there is to life to society a person and his joy and love for their sorrows is placed .

The book highly helps you to appreciate human values and history to live with the changes and initiatives around them with a deep consideration , to feed from ancient works and their sources of thoughts .

From this except last night in years to religion and religious to works being directed attention too people in the heart living faith trust beliefs to be filled their ideological artistic of the core truth in the spirit to be bitten accent gives _

Own in the bosom truth and goodness glorified only books of the soul to be purified your heart obvious to pull Shepherd said from dirt get rid of to be the ground prepares , help gives _

Because in a person to the book placed real devotion and only love in it tomorrow Good job every day _ feelings and human Parvan feels and experiences to the world brings _

" The book is a blessing teacher .Har minute he us of the sages knowledge treasure with can recognize " .

Alisher Navoi

From Japanese schools in one the world in history the most great discovery what said in the questionnaire participation those who have themselves considered a miracle different things to the language received : fire , engine, atom bomb, electronics and another one how many things. However participants 6th grade from inside student 's " Eng Excellent " discovery is a book". stated the answer panel to members ok fell so. What because of exactly book to the question , " Of the rest thoughts are also correct , but book if not , theirs none are inventions " It wouldn't be done, " he replied gave _

Look at this , many people did not even occur to him this answer really truth the fact that slowly slowly own the proof found is going

Book for real also a miracle in it cause to him spiritual effect transfer , mental grow up such as tasks to perform able _

So Yes, dear young people , my peers , brothers , sisters my sisters book read .Zero , book of a person life on the way companion if life from the trails smooth and satisfaction with passes .
